

Seminar on Financial & Capital market

BSEI is planning to conduct two hour free seminar at your college in Seminar Hall, College of Vocational Studies on 8th February 2012 at 1p.m. by BSE Limited.

The seminar will have topics like

- *Overview of stock & securities markets,*
- *Demat*
- *Technical Analysis*
- *Fundamental Analysis*
- *SENSEX, NIFTY*
- *Trading & Settlement process*

This seminar will give students deep insight into financial market and they will have better understanding of Stock Market.

BSE Limited is the oldest stock exchange in Asia what is now popularly known as the BSE was established as "The Native Share & Stock Brokers' Association" in 1875.

BSE Institute, which is popularly known by its acronym BSEI, has carved out a unique position among the stock exchanges in the world in respect of knowledge development and management. It set up an exclusive training facility in 1989, that has now emerged as a leading facility in financial and securities market training in India.

One of the unique features of BSEI is its faculty and speaker pool – a rich pool of professionals, practitioners and eminent personalities from industry, which mix the theory with practical aspects giving participants hands on knowledge of the market.
